BOARD AMENDED COLLECTION OF DUES POLICY - ADOPTS AND REAFFIRMS GRACE PERIOD

April 20, 2023

Updated: Collection Policy

Coupons are mailed in January of each year for all assessments throughout that year. Late statements may be sent for any homeowner who owes more than one full assessment.

Association assessments are due monthly as follows:

Due 1st day of each month, Late charges if payment is received 60 days past due date. Late charges equal \$25 plus 15% interest per month until paid.

Checks returned for any reason will be subject to a \$40 fee.

Each unpaid assessment shall constitute a lien on the respective real property prior and superior to all other liens except 1) all taxes, bonds, assessments, and other levies which, by law, would be superior thereto; and 2) the lien or charges of any mortgage of record made in good faith and for value. Such lien, when delinquent, may be enforced by foreclosure and sale by the Association, its attorney, or any other person authorized by this Declaration or by law to make the sale, after failure of the Owner to pay such Assessments, in accordance with the provisions of applicable law to the exercise of powers of sale in deed of trust, or by judicial foreclosures as a mortgage, or in any other manner permitted by law.

- You may receive a notice of intent to lien if assessments are 60 or more days past due. A \$50 fee will be charged to your account for the intent to lien.
- A lien will be recorded if assessments are greater than \$500 and more than 90 days past due. A fee in the amount of at least \$200 will be charged to your account for filing the lien.
- Any monies paid which do not cover all past due assessments plus late charges and other penalties will be applied in the following priority unless specifically designated otherwise:
 - Assessments.
 - Late Fees.
 - Other fines and penalties.
 - Attorney fees and costs; and
 - Interest

The association reserves the right to send any homeowner delinquent in their assessments to a third-party collection agency once the lien has been filed. Third party collection agencies may have their own fees and interest in addition to that charged by the association.

- Foreclosure and/or litigation may be initiated if assessments are 180 days or more past and the lien has been filed. If such action becomes necessary, all fees and costs incurred will be sought, including a \$150 initial legal processing fee.

The association shall have the power to bid for any property at the foreclosure sale, and to acquire and hold, lease, mortgage, and convey the same. The foreclosing party shall have the right to reduce or eliminate any redemption rights of the defaulting owner as allowed by law. Suit to recover a money judgment for unpaid assessments, rents, and/or attorney fees shall be maintainable without foreclosing or waiving the lien securing the same. The board of directors may impose reasonable monetary penalties including actual attorney fees and costs and may temporarily suspend the association membership rights of any owner who is in default of payment of any assessment, after notice and hearing according to the Bylaws.

- If you dispute the fine/violation, you will have fourteen (14) days within which to request a hearing. If you fail to do so, your right to dispute the fine will be deemed waived and the fine will be final. If you request a hearing, the violation and fine will be determined at a hearing by the Board, and the Board's decision shall be final. Unpaid fines will be sent to an attorney or third-party collection agency for collection. Said collection may also result in attorney fees, additional interest, and costs being charged to you. To request a hearing, contact the property manager at (509) 252-7507 ext. 101

b. Covenant Violation Policy

Reporting of Violations: Violations are reported a number of different ways. The most common way is during an inspection done by the management company. Other ways include but are not limited to board member contact, call-ins and/or e-mails from fellow homeowners/residents.

If you are in violation of any rule in the governing documents (i.e. Articles of Incorporation, By-Laws, Covenants, Conditions & Restrictions [CC&R’s], or Rules and Regulations), you will receive notice(s) and/or fining as described below:

Courtesy Letter: The first time an alleged violation is noted either by inspection, call-in or email, a courtesy letter is sent out describing the alleged violation and asking for correction of the alleged violation within a specific time frame.

Notice of Violation: If the alleged violation has not been corrected in the time frame described in the “Courtesy Letter”, it is assumed to be a valid violation and a “Notice of Violation” is sent with a specific time frame for correction. This letter also includes a description of the similar and/or continuing violation, governing document reference, explanation of the fining process, and information on how to request a hearing from the Board regarding the violation.

Fine Notice: If the violation described in the “Notice of Violation” has not been corrected in the time frame required, a “Fine Notice” is sent to the homeowner. In the “Fine Notice”, a specific dollar amount is assessed to the homeowner (based on the number of times the homeowner fails to correct the violation; please see Table “A” below). The “Fine Notice” includes a specific time frame to correct the violation, includes a description of the similar and/or continuing violation, governing document reference, and explanation of the fining schedule as noted in Table “A”.

Table “A”

\$100.00	First Violation
\$250.00	Second Similar and/or Continuing Violation
\$500.00	Third Similar and/or Continuing Violation
\$1,000.00	Fourth and Subsequent Similar and/or Continuing Violations

Hearing Request: If you dispute the validity of the violation, you will have seven (7) days from the first “Fine Notice” in which to request a hearing. If you fail to do so your right to dispute the fine will be deemed waived and the fine will be final. If at the hearing, the violation is ruled valid, the next level of fine will be imposed if the violation is not corrected within the time frame decided by the board at the hearing. Fines shall continue as described under “Fine Notice” if violation remains uncorrected. Any unpaid fines will be sent to an attorney for collection after 90 days. Said collection will also result in attorney fees and costs being charged to you. To schedule a hearing, please contact the management company via email or first-class mail.

Use of balconies must comply with existing laws and regulations (including, without limitation, any restriction on the use of grills). Towels, linens, clothes, and other personal effects may not be hung or otherwise be visible on balconies. All window treatments, whether blinds, drapes, or otherwise, must be of a uniform style and color throughout the Property.

All rubbish, trash and garbage shall be regularly removed from the Property, and no Owner shall be allowed to accumulate any trash or garbage in any Common Area or any Unit area visible from a Common Area. Trash, garbage and other waste shall be kept only in sanitary containers, which will be screened and concealed from the view of other Units, the Common Elements, and all public ways.

8.3 Nuisances. No noxious, illegal, or offensive activities may be carried on in any Unit, or in any part of the Property, nor shall anything be done thereon which may be or may become an annoyance or a nuisance to or which may in any way interfere with the quiet enjoyment of each other Owner, or which may in any way increase the rate of any insurance carried for the benefit of the Property, or cause any insurance policy to be canceled or to cause a refusal to renew the same, or which will impair the structural integrity of any building or improvement.

8.4 Vehicle and Equipment Restrictions. No utility, boat, camper or other trailer, mobile home, commercial vehicle, bus, truck (other than standard size pickup trucks), inoperable automobile, boat, or similar equipment, and no vehicle which is in an extreme state of disrepair is permitted to remain on the Property, other than temporarily (as for purposes of loading and unloading of passengers or personal property), unless placed within an enclosed garage, or within such portion of the Common Elements as may be designated by the Board for such purpose. Any lease or rental agreement must be in writing and provide by its terms that the lease or rental agreement is subject in all respects to the Project Documents. Any failure by a lessee to comply with the terms of the Project Documents is a default under the lease, whether or not it is expressed therein, and the Owner is liable for any costs incurred which result from the lessee's actions. No Unit may be the subject of any "timeshare" or other similar agreement.

8.7 No Warranty of Enforceability. While Declarant has no reason to believe that any of the restrictive covenants contained in this Article 8 or elsewhere in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenant. Any Owner acquiring a Unit in reliance on one or more of such restrictive covenants assumes all risks of the validity and enforceability thereof and, by acquiring the Unit, agrees to hold Declarant harmless there from.
